**“...watch out for Xabregas. If the quality of the 2010 rieslings are anything to go by, they are in rare form indeed!...”**

**Xabregas Riesling 2010**

Floral and sweet fruit characters. This is textured, viscous and long. The obvious residual sugar carries the palate and the acid keeps the balance. Drink on a warm afternoon by itself.

**X by Xabregas Spencer Riesling 2010**

Extraordinarily pale and almost with a touch of spritz. Quite Germanic in a kabinet style really, with lovely aromatics. This is extraordinarily fine and delicate, yet there is immense power behind the wine. If there is a hint of sweetness, the acid balances the wine beautifully.
