

XABREGAS SHOW RESERVE DRY RIESLING 2009

THE GREAT WHITE

“The Rieslings of the Great Southern can be stunning....of intense citrus with lime dominance, minerality and a little distinctive spiciness....”

94 POINTS

Beautifully pristine and slaty minerally riesling from this excellent Great Southern producer. Typical Great Southern spiciness with fine lime juice characters. It's tight yet the fine acid adds a delicacy that is most appealing. Beautiful mouth feel.
